Reports

Matt Wilcox reported that Halloween night was “nuts”. (trains were very popular) The group could have used 5 or 6 more cars – great support. Also Australia Day weekend there is moves to run an evening event and sausage sizzle. Also the levelling to be carried out in the model train room.

Sandra Saunders and Sunflower Throwing – 5th year of running, Historical cottage supporting again and promotion underway

Coffee Shop – 5 Rail journey visits so far – another next week. A group of panel vans to visit in about 4 months time. Reminder on Working With Children
